Guided Reading: Chapter 4 (Egypt)

Directions: Read the entire chapter. All information on this sheet could appear on your unit test and in future discussions. This will be useful as a study guide as well.

Reminders:

- Responses should be accurate, bulleted and **in your own words**
- Responses should be short and well-summarized: Your key points are clear.
- Be neat! You should be able to review / learn from this easily.

[NOTE: (V) = **Vocabulary word**. All vocabulary words should be defined in your own words.]

For an excellent / "4", complete the chart below well and choose ONE of the following:

1. Write a short (at least ½ page) response to ONE of the following topics. Use full sentences with specific details.
 - a. Describe at least two similarities and two differences between the Egyptians and Mesopotamians.
 - b. Describe ways the Nile helped the Egyptians (other than food/drink/bathing).
 - c. Which contribution do you think had the biggest impact on Egyptian life? Explain why.
2. Create (hand-draw) a picture of life in the Old Kingdom on blank paper in full color. Include a short written paragraph OR be sure your picture shows details about life in the cities, on the estates and for the farmers.
3. Create a poster or set of index cards with hand-drawn, full color and accurate pictures of at least 5 Egyptian gods. Include 3 sentences about each god's responsibilities and powers.

Section 1: The Nile

Into what body of water does the Nile empty?

How did geography assist in the defense of Egypt? Be specific.

Section 2: The Old Kingdom

What did Narmer achieve?

Old Kingdom start date and *approximate* end date?

The Pharaoh:

Define and describe the roles and responsibilities of the **Pharaoh (V)**:

The Pyramids

What were the purposes of the **Pyramids (V)**:

Religious beliefs

Book of the Dead (V):
